

Access to Wi-Fi is increasingly important, especially as many students recently started a new school year virtually. As a free public service, many NCWorks Career Centers provide Wi-Fi that extends throughout the parking lot, 24/7 - whether or not the center is open to serving customers in-person. Find the Wi-Fi option labeled "NCWorks Public." No password is required. Here is a list (by county) of the NCWorks locations with strong Wi-Fi throughout the parking area:
